

S O L U M

BRAND PACK · FOR CREATIVE PARTNERS · [BYSOLUM.CO.UK](https://bysolum.co.uk)

YOUR BODY. DONE RIGHT.

SOLUM is men's body care — head to toe, not face, not hair. The visual world is dark, clinical and premium: deep blacks, steel blues, clean type. Confident, never loud. Think engineered and deliberate, not "lifestyle bro."

LOGO

S O L U M

S O L U M

WHITE WORDMARK

SVG · PNG (2000px) · PDF

Use on dark / photographic backgrounds

BLACK WORDMARK

SVG · PNG (2000px) · PDF

Use on light / Bone backgrounds

Files are in the **/logos** folder. SVG is vector (scales infinitely — use for video). PNGs are transparent. Always use these files — never re-type the wordmark in a font.

TYPOGRAPHY

ROLE	TYPEFACE	NOTES
Wordmark	Supplied logo file	Always use the SOLUM logo asset — never re-type it in a font. Flat white or flat black only.
Headlines / display	Bebas Neue	Letterspacing 0.15em · always uppercase · flat colour
Subheadings	Barlow Condensed 700	—
Labels / UI	Barlow Condensed 600	—
Body copy	Barlow Condensed 300	—
Micro / origin tags	Barlow Condensed 500	—

Both display fonts are free on Google Fonts: Bebas Neue + Barlow Condensed.

RULES — NEVER BREAK

- ✗ Never lowercase the wordmark — SOLUM is always uppercase.
- ✗ Never recolour the wordmark — flat white or flat black only. No gradient, glow, outline or monogram.
- ✗ Never re-type the wordmark in a font — always use the supplied logo file.
- ✗ Never use orange, amber, yellow or green. The accent is always blue.
- ✗ Never use the word "soap" anywhere.
- ✗ Never use Arabic script.
- ✗ No figure or person on product boxes.
- ✓ Keep clear space around the wordmark — at least the height of the "S" on all sides.
- ✓ White wordmark on dark, black wordmark on light. Always full contrast.
